 ROBERTO COIN

Happy Holidays
from Hyde Park and Roberto Coin

Dear Friends,

As we approach the holiday season, all of us at Hyde Park wish to express a sincere thank you for your continued support and friendship throughout 2009.

For 33 years we have strived to continue to build upon our traditional core values of providing quality service, value and integrity to our clients and community. Thank you for helping us maintain our longevity.

In addition to the many new jewelry and watch collections you may have seen recently at Hyde Park, we are pleased to present you with the latest Roberto Coin collection, CapriPlus. This collection, inspired by the breathtaking sunsets of the Isle of Capri, embodies soft, tapered lines and a signature shape with alluring hues. It gives any woman the ability to express her fashion sensibility.

We hope you enjoy glancing at the exquisite jewelry found in this catalog, compliments of Hyde Park and Roberto Coin. We look forward to seeing you soon.

Best Wishes,

The Hyde Park Family
